Per the Le Sueur County Ordinance Providing for the Inspection of Subsurface Sewage Treatment Systems with the German-Jefferson Subordinate Service District, all properties serviced by a subsurface sewage treatment system (SSTS) within the German-Jefferson Subordinate Service District (District) shall have a compliance inspection conducted on or before **December 31, 2015**.

This waiver allows the landowner to forgo the required compliance inspection for the existing septic system servicing the above listed property.

As the landowner of the above listed property (***please initial the following***);

- I understand that I am disclosing (without inspection) that the septic system does not meet MN Rules Ch. 7080-7083 Requirements.
- I understand that I am to submit this waiver to the Le Sueur County German-Jefferson Sewer District Board.
- I understand that I am required to have a compliant SSTS servicing said property by **December 31, 2017**.

This waiver shall be submitted to:

Le Sueur County
German-Jefferson Sewer District Board
88 South Park Avenue
Le Center, MN 56057

Email: germanjefferson@co.le-sueur.mn.us
Fax: 507-357-8613

I understand that I will face legal penalties and will be turned over to the Le Sueur County Attorney and/or Minnesota Pollution Control Agency for enforcement if the work is not completed as agreed.
