In the past, our

K9 Program has
relied on

Sheriff of Le Sueur County
435 E Derrynane Street, STE 1100
Le Center, Minnesota 56057

donations to fund and pay its expenditures. For several years the pet stores donated food each month to our K9 program. Unfortunately, they no longer have the funding to do that so we are left to rely on donations to pay for Jett's food, along with supplies, training, vet bills and equipment. Jett is treated as a member of the Le Sueur County Sheriff's Office and we would like to start budgeting for the things that he needs to be a successful K9 partner for Le Sueur County.

Requested K9 Budget Line Items:

Training	\$500
Misc.	\$500
Supplies	\$1600
Equipment	\$500
Medical	\$750
