

## Ditch Report 4/20/2021

### Old Business:

1. Ditch spraying and mowing.
  - Renewing contract for Evergreen?
  - Last 1/3<sup>rd</sup> of ditches for the county.
  - Bid for \$34,677.80
2. CD62- Getting bids on removing trees.
  - Need to start thinking about a Redetermination of Benefits for tree removal on CD62.
3. JD38 – Have a damage report by ISG for potential work done on the ditch system.
  - Had ISG make a cost estimate and will be setting up a meeting with the two landowners that will be effected.

### New business:

1. Looking into repairing a storage wetland for JD5 and grants for the project.
2. Waiting for road restriction to be removed.

### Ditch Projects in progress:

1. CD49 - culvert replacement and tree removal. Might need to be bid out.
2. CD45 – Slough repair
3. JD1 – Tile outlet/ crossing repair.
4. CD65 – Slough repair and ditch clean.
5. CD58 – Sloughs and obstruction removal.
6. CD62 – Tile Repair.

### Ditch Highlights:
