

Ditch Report 5/4/2021

Old Business:

1. Ditch spraying and mowing.
 - Sending out letters to landowners.
 - Last 1/3rd of ditches for the county.
 - Bid for \$34,677.80. Need to get a new bid for new circumstances.
2. CD62- Getting bids on removing trees.
 - Need to start thinking about a Redetermination of Benefits for tree removal on CD62.
3. JD38 – Have a damage report by ISG for potential work done on the ditch system.
 - Had ISG make a cost estimate and will be setting up a meeting with the two landowners that will be effected.

New business:

1. Looking into repairing a storage wetland for JD5 and grants for the project.
- 2.

Ditch Projects in progress:

1. CD49 - culvert replacement and tree removal. Might need to be bid out.
2. CD45 – Slough repair
3. JD1 – Tile outlet/ crossing repair.
4. CD65 – Slough repair and ditch clean. Had landowners ask to clean more on the system.
5. CD58 – Sloughs and obstruction removal. Landowners asked to have more cleaned on the system.
6. CD62 – Tile Repair.

Ditch Highlights:

JD63 – photos of what a flood can do to a culvert.
