Subject: Re: Le Sueur County-Lake Volney Park

Hi Holly,

Because May and June are the busiest times of year for me, I don't have time to submit a formal proposal/letter right now, but I can give you my pricing information.

The cost to treat CLP for a 29,502.5 square feet area at the County Beach would be \$450. I would coordinate treating the beach with another project I have in that area that I have scheduled on Tuesday, June 1st or Wednesday, June 2nd.

Please let me know if you have any questions.

Thank you,

Paul Kaari
