no

Please limit your response to the following questions to the space provided:

Why do you wish to serve on the county Extension committee?

My work & personal experiences have served to verify how important outreach from a University is and the Extension office is a perfect example of this.

What perspectives/insights can you bring to the county Extension committee?

My views are both established and new. For 35 yrs I was an Extension Educator but am new to MN as we retired here 3 yrs ago.

Please list volunteer or community involvement and indicate any leadership positions you have held.

President-Mercy hospital board American Association of University women Carnegie Library board St Olaf Church council St Olaf Women's League IAAN House board Community Connect Association

What do you see as key educational needs or issues in the county?

Communications to all covers of the county. Am surprised at how little the newspapers cover outside their immediate zip code.

Any additional background you would like to share with the county committee?

My husband and I are greatly enjoying retirement in this area and see a great deal of potential development both in and outside of tourism.
