WHEREAS, community supervision is a fundamental part of the criminal justice system in Minnesota and funding sufficient to ensure effective services is vital to public safety in all communities across the state; and

WHEREAS, community supervision includes services such as probation, supervised release, and intensive supervised release; and

WHEREAS, Minnesota's counties provide essential community supervision services both as mandated by M.S. Chapter 244.19 and also as delegated by the Department of Corrections under M.S. Chapter 401; and

WHEREAS, when the Legislature decided that community supervision was best delivered through a state-county partnership, it stated a clear intent that the state would provide significant funding to the counties for the operation of local programs; and

WHEREAS, over the past 20 years, Minnesota has become the state with the lowest level of corrections funding in the nation because the Legislature has not upheld its promise to provide adequate state resources to support community supervision; and

WHEREAS, the Legislature's failure to adequately fund community supervision has increased local property taxes on residents and businesses; and,

WHEREAS, a revised community supervision funding formula is necessary to ensure that all communities in Minnesota have enough state funding to provide a consistent standard for effective, evidence-based community supervision services, regardless of local capacity to pay; and

WHEREAS, the Association of Minnesota Counties assembled the Community Supervision Work Group including county leaders and experts in community supervision from all three supervision delivery systems to study the needs of community supervision

BE IT RESOLVED, the Le Sueur County Board of Commissioners endorses the efforts of the Community Supervision Work Group and urges the Legislature to pass a new funding formula and significant appropriation during the 2023 legislative session.
