

RESERVATIONS SUMMARY

This report displays the number of new reservations booked during the specified time frame, broken down by type.

Start 4/1/2022
 End 10/31/2023

After Hour Bookings (10 PM or later): 34 reservations for \$3,071.00.

Online: The number of rooms booked online.

Phone: The number of rooms booked by phone.

3rd Party: The number of rooms booked via GDS, TripConnect, MyAllocator, Direct Connect, travel agents, etc.

Comps: The number of comped sites given away at full discount.

Blocked: The number of room blocks created in the selected date range. If you book rooms when guests call and comp rooms that are given away, then blocked rooms are normally rooms that are under repair. If you block rooms when guests call, then this is the combined total of phone reservations and rooms lost due to required maintenance.

Potential: The number of potential guests who looked at making a reservation.
