Ruby and Paula,

I have been made aware of an urgent repair requirement on JD 54 (currently pending redetermination of benefits). Circumstances are as follows: A substantial culvert on the system is failing and needs to be replaced. The replacement of the culvert constitutes repair of the system. Since the system is under a redetermination of benefits process, the cost of the this repair will be held and allocated against the redetermined benefits. To facilitate this, because there is no money in the JD 54 account, Le Sueur County proposes to authorize a loan from its general fund to the JD 54 account to pay the cost of the repair. When the redetermination is complete and adopted, the cost will be recovered by assessment to JD 54 under the new assessment roll.

Paula, the Rice County members of the JDA for JD 54 should be informed of this situation and the proposed resolution. Please let Ruby and me know if there are any substantial concerns. If necessary, we can hold a special meeting of the JDA to discuss the situation.

Thanks,

JCK
