What animals, bugs or insects were you able to see during your nature hike?

What plants, trees, flowers, or grasses were you able to see during your nature hike?

(draw, write, insert picture, count, etc. of what you find!)

Map

Draw your own map of where you went or mark down where you went or where you observed certain things

What is your favorite nature poem, story, quote, etc?

Draw or write down your favorite part of your nature hike

What type of non-living things did you find?

Draw or write down any type of animal tracks you were able to find

Who did you go on the nature hike with?

What was the weather like on the hike?

Draw or write

What else did you see, hear, or do that you'd like to journal?

Animals heard? Birds singing? Bridges crossed? Water touched?

Nature objects found?

Leaf Rub

Find your favorite leaf, lay it behind the paper, rub a crayon over the paper to make an imprint of your leaf
